SPONSORSHIP OPPORTUNITIES

LEYTON WAGNER

15, Enon Valley, Pennsylvania

"Lightening" Leyton Wagner carries on the legacy of Three Eight Motorsports, following the footsteps of both his father, Dennis Wagner, and late grandfather Dave Wagner along with Dave's father. Prior to running the 410 Sprints, Leyton ran go carts for 2.5 years with 15 first place finishes. Seeing his early success, Three Eight Motorsports put Leyton in the seat of a 410 at the age of 12.

Entering his Sophomore year of high school at Mohawk Area School District, Leyton is well ahead of the game both on and off the track. Leyton has lettered in both football and basketball as a freshman, or participating in various groups through his local church.

"I grew up at the racetrack, watching my dad and learning the ropes early on. There is nothing like being in the zone behind the wheel, and of course, I like going fast. "

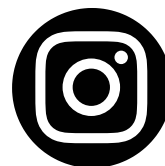

THE STATS
